How to Book Your Tee Time

League Tee Times are temporarily reserved for League Players between the time slots based on size of the league.

Keep in mind that it is a first come – first serve policy. During the first week of league activity you will be able to book your tee time for the following two weeks. We will have tee sheets on the wall so you can see the schedule progress and know what options are available each week for the following two weeks.

We will do our best to send League Players out in consecutive, consistent tee times in order to avoid non-league players interrupting league play. In order to do so, we may contact you to slightly adjust your tee time.

Kristy has autonomy over the league schedule throughout the season. Call her at the Clubhouse with any changes or adjustments you would like to make.

Handicap Tracking

We are using *Golf Scoring.Net* League Manager Software. This program will track your Handicap. You can view Your Stats online 24/7 at <http://www1.golfscoring.net/innerkip>. We encourage you to access the league manager website frequently to see scores and results, comment on the league comment board and read any league blog posts that might pop up!

Kristy will post Blog Updates on a weekly or bi-weekly basis, depending on the league.

Skins

Men's Leagues-

You will either compete in the Gross Skins Flight or in the Net Skins Flight based on your handicap.

Ladies Leagues –

You will compete for skins based on net scores.

If no skins are won on any given week, the skins \$\$\$ is rolled over into the next week of skins competition. If you win, your skins money will automatically be deposited onto your *Club Card* account.

Men's Leagues Format

Sunday and Wednesday Leagues will run individually in a team vs. team format. Each league will have 6 to 8 teams, and each team will have 10-12 players, varying based on number of players in the league. The top 6 low net scores from each team will count towards the team's cumulative score. The team with the lowest cumulative score will win that week's match and receive 10 points. If you tie your opposing team, both teams receive 5 points. Additional points are handed out for each participating teammate.

Kristy will complete a draft to form the teams after registrations for men's league close. Each team will have a team name, which will be selected by a vote on Opening Day. If you have a good idea for a team name, email Kristy at info@innerkiphighlands.com!

The last 3 weeks of the Men's Leagues we will enter Play-Off mode. For these three weeks, all teams will compete against each other and will be building on their accumulated points from the entire season.

Points are awarded for placement, 1st -20 points, 2nd -15 points, 3rd – 10 points, and 4th -5 points, as well as points per player for participation.

At the end of the Playoffs, we will have our Team League Champions for each league!

We will also have an Individual Gross Score League Champion!

Breakfast Babes League Format

Each lady will hand in their scorecard after their nine hole round each Thursday morning. They will be competing against each other individually based on their gross scores.

Keep in mind our Breakfast Babes league is only semi-competitive and our focus is to promote female golf here at Innerkip Highlands!! The scoring is just to keep track of progress.

Thursday Ladies League Format

Thursday Ladies League will run in a team vs. team format.

The league will have 4-6 teams, and each team will have 4-10 players, varying based on number of players in the league. The top 2-5 low net scores from each team will count towards the team's cumulative score. The team with the lowest cumulative score will win that week's match and receive 10 points. If you tie your opposing team, both teams receive 5 points. Additional points are handed out for each participating teammate.

Kristy will complete a draft to form the teams after registrations for the league close. Each team will have a team name, which will be selected by a vote on Opening Day. If you have a good idea for a team name, email Kristy at info@innerkiphighlands.com!

The last 3 weeks of the Ladies Leagues we will enter Play-Off mode. For these three weeks, all teams will compete against each other and will be building on their accumulated points from the entire season.

Points are awarded for placement, 1st -20 points, 2nd -15 points, 3rd – 10 points, and 4th -5 points, as well as points per player for participation.

At the end of the Playoffs, we will have our Team League Champions for the ladies league!

We will also have an Individual Gross Score League Champion!

Date Night Couples League Format

Each couple will play a Best Score format (with a twist!) for their nine holes each week. Each member of the couple plays each hole as normal, but the only score recorded on the scorecard to be written on the score sheet for the League is the Best Score from the couple on that hole.

The twist is that at least 2 holes must be used per person per couple per round. This ensures the scorecards are a team effort! There will be some strategy involved for sure. They then compete with the other couples based on their team gross score.

Closing Banquets

Our Banquets include Golf, Dinner and Prizes! There will be raffles, mini games, and a 50/50 draw to raise money for Junior Golf locally. We will briefly acknowledge achievements among our leagues, name our Champions and reminisce on our season! Stay tuned for more information on our Banquets as we get closer to their dates. Mark them on your calendar now so you don't miss it!

Sunday Men's League Banquet: October 4th 2020

Breakfast Babes Brunch: September 10th 2020

Club Championships

We encourage all of our League members to participate in our Club Championships. The Club Championships is a two day competitive flighted tournament for both Men and Women.

We celebrate our season, and fellowship with other golfers who love our Club just as much as we do, all while we compete for trophies and the pride of calling ourselves champions!

Make sure you keep an eye on our emails throughout the season to gather more information on our Club Championships and to know when registrations open. For now, mark it on your calendars, and we look forward to seeing you there!

Don't Let the Forecasted Rainclouds Ruin Your Golf Game

Recommendations for Golfers:

1. Be aware that general media long term weather forecasts are too broad to rely upon when making decisions about golf
2. Check your local golf course website, social media or call in and speak with us at the desk for an accurate daily forecast
3. Don't make tee time booking decisions based upon long term weather forecasts, given that they have been proven unreliable
4. Focus on "within 24 hour" forecasts only
5. Be aware that very few weather circumstances actually prevent you from enjoying a round of golf!
6. Keep in mind that the weather information available at a glance is generally highlighting precipitation percentage instead of actual amount of rain likely to fall. *For example: Even if there is an 80% chance of precipitation, if there is only 2mm of rain predicted to fall, there will be a 100% chance of being able to golf!*
7. Additionally, at a glance information on weather doesn't usually tell you at what time the rain is supposed to fall. Precipitation after dark will not affect our golf games!
8. Communicate with your golf partners that the weather is unlikely to detract from your intentions to golf
9. Avoid cancelling a tee time unless there are severe/dangerous weather warnings
10. If you do need to cancel a tee time, ensure that you contact the golf course to do so as far in advance as you can weather permitting
11. Respect lightning warnings that occur while you are on the golf course and remember to listen for the horn. If the horn sounds on the course, suspend play and seek shelter immediately
12. Dress accordingly and enjoy golf in almost any weather conditions
13. Practice in varied weather conditions to further improve your golf game!
14. Be aware that most golf courses offer you the additional protection of generous rain check policies

Thank you for taking the time to read our Orientation Package and familiarize yourself with our League Activity this season.

We look forward to seeing you soon!
