Thank you for considering a membership at Innerkip Highlands Golf Club for the 2019 season. Our focus on exceptional golf course conditions and customer service is widely recognized within the golf community. This is a unique chance to be one of the first to call yourself a member of this fabulous club and enjoy unlimited golf among other great benefits this year!

Over the past 25 years our constant desire to improve has brought about unbelievable changes both on and off the course. The construction of our true island green on the Par 4 Fifth, the breathtaking view from the Thirteenth tee of our cascading waterfall and the picturesque water-lined Par 3 Seventeenth are just a few of the feature holes that set the golf course apart from the rest. A complete rebuild of the clubhouse in 2000 now showcases an architecturally impressive open concept building that houses our clubhouse and restaurant. Perfectly located to offer guests a great view of the Par 4 Eighteenth, tee to green, from our covered patio or inside our dining room. You will always find a comfortable and welcoming environment that will make Innerkip Highlands feel like home to you. The club is conveniently located only a short drive from Kitchener, Waterloo, Cambridge, Woodstock, London and Brantford. Innerkip Highlands can be accessed easily via the 401 or 403 highway corridors.
