If there is anything else we can do to help you decide to make Innerkip Highlands your host Golf Club, please do not hesitate to ask. Thank you for your consideration and we look forward to being part of your 2019 Event!

Innerkip Highlands is the Perfect Place to Host Your Next Golf Tournament

Innerkip Highlands is a GAO rated 18 Hole Championship layout course with wide, rolling fairways, smooth greens, mature trees, electric power carts and fully paved cart paths. The par 72 course has five tee decks with yardages ranging from 4,872 to 6,417 yards. Signature holes have been debated upon for years, but two of our favorites are Hole #5, the 350 yard Island Green Par 4, and Hole #13, the 335 yard Water Feature Par 4. While playing, you will run into the *Thirst Aid Station* (equipped with washroom facilities) at holes #2, #5, #11, and #13 to wet your whistle and try Innerkip's famous hot dog relish! Finishing up on #18, you will be greeted by a warm patio

cheer when you sink your birdie putt!

On the day of your event, your planning assistant will help you with everything from setting up your registration table to showing your guests to their reserved seating. All of your meals are prepared in-house on the day of your event. Suggested Formats:

Format	Description
Alternate Shot	Chose a teammate on the first tee. On each hole, only a single ball is played for each team. Alternate who hits the ball each time from tee to green. It is recommended that you alternate tee shots (for example: the younger partner tees off on even holes and the older partner tees off on the odd holes).
Best Ball (Also known as Scramble)	Play in groups of two or four. Each player in each group hits their tee shot, then the group choses the best ball of those hit. Everyone's ball is moved to the best ball and hits their next shot. This format continues until the ball is holed. One score is recorded for the group.
Traveler Ball Tournament	Each foursome starts with one distinct traveler ball. The traveler ball rotates among players from hole to hole, and the score of the traveler ball is recorded for each hole (as well as everyone's individual scores if wanted). Once the ball is lost in a hazard or out of bounds, its score is no longer counted. Replace the traveler ball with a regular ball and continue to play out the round. The team with the lowest score on the pink ball (or the team that makes it the furthest with the traveler ball) wins the game.
Lighten Your Load	Each player decides how many clubs they will play the round with. On top of your handicap (average number of strokes over par you shoot), you get extra strokes for how many clubs you use. You will receive 12 extra strokes for using a single club, 8 extra strokes for using only 2 clubs, 5 extra strokes for using 3 clubs, 2 extra strokes for using 4 clubs, and 0 extra strokes for using 5 or more clubs.
Chapman Format	Pair up with a partner for your round. On each hole, you both hit your tee shots then switch balls. Each of you hit your second shot then together you decide which ball is in a better location. From then on, you play alternate shot until that single ball is holed out. Only 1 score is recorded for each team.
Speed Golf	Play your round as quickly as possible. Your final score is calculated by adding together the number of minutes it takes you to play with the number of strokes you took on each hole. You can play this format individually or in teams.

Suggested Games:

Game	Description
Longest Drive	The person with the longest drive from the tee wins. Spruce up this traditional format by doing the drive with a marshmallow, while wearing oven mitts or by swinging the wrong way
Longest Putt	The person who sinks the longest putt on the green (fringe does not count) wins.
Sandies	A point/dollar is awarded to anyone who makes par after they've visited a bunker on that hole
Greenies	On par 3's, a point/dollar is awarded to the person who lands 1) closest to the pin and then 2) sinks their putt for par (or better). A birdie will steal the greenie from the player who lands closest to the pin if that player only scores a par.
Shazam	If you think you can sink your putt from outside the length of the flagstick, call a shazam for a point/dollar. If you sink that putt, you are up a dollar/point. If you two-putt you're safe, but if you three-putt you give up a point/dollar.

Guaranteed Numbers

In order to properly prepare for your arrival, and ensure adequate staffing, materials and tee times, a final guaranteed number must be received no later than 7 days prior to the golf event.

Inclement Weather

We will make every effort to allow the tournament to proceed as scheduled. If the golf course is deemed unplayable by the Golf Club. Necessary changes will be made.

Alcohol Policy

- Innerkip Highlands is fully licensed with the Alcohol and Gaming Commission of Ontario (AGCO) to serve alcohol in the Clubhouse & Patio and on the golf course via The Thirst Aid Station.
- AGCO regulations must be complied with to avoid regulations impacting our ability to serve alcohol.
- The participants in the tournament are specifically cautioned not to bring alcoholic beverages onto the golf course premises, as this is a direct violation of the AGCO license held by the club.
- Participants in possession of alcohol by means other than through Innerkip Highlands Servers will not be tolerated and will lead to expulsion from the Golf Course.
- Innerkip Highlands Alcohol Policy will be strictly enforced by Innerkip Highlands Starters, Players Assistant, Servers and Staff.
- Innerkip Highlands reserves the right to inspect all coolers and golf bags if deemed necessary.

General Golf Course Policies

1. Thirst Aid Station service is provided on the course as well as snack service between nines to minimize interruption in play. Any other distribution is expressly forbidden.
2. Innerkip Highlands has a reasonable dress code that does not permit cutoff jeans, tank tops and gym shorts. Full compliance is required.
3. Any conduct violations including foul play and vulgar language, golf cart abuse, damage to course and property and ignorance of liquor laws will result in expulsion from the course without refund.
4. Groups must be ready at the first tee at least 15 minutes before their allotted time. This will give the Starter flexibility in keeping the tournament on time.

Tournament Rules

1. Pace of Play - The tournament must maintain the pace of play, which is a maximum of 4.5 hours per round. Pace of Play requirements are indicated on the clocks distributed around the golf course. The clocks are adjusted to our Pace of Play, showing the time you teed off. Please speed up/ slow down your playing time so that you always see your tee off time.
2. In meeting the target for pace of play the following factors are key:
 - a. Use the scramble format for recreational tournaments where the caliber of golf comprises both experienced and casual/novice golfers.
 - b. Innerkip Highlands provides you with the scramble format rules in your tournament package. Make sure each player is given a copy of these rules.
 - c. If possible, include at least one experienced/low handicap golfer. Try to avoid assigning foursomes having only high handicap/casual golfers. This leads to slow play, backups and bottlenecks, which cannot be tolerated. Note: maximum strokes per hole: 1) Scramble Format – 2 over Par – i.e. Par 4, maximum strokes = 6. 2) Individual Stroke Play - Double Par – i.e. Par 4, maximum strokes = 8. After total reached, pick up and proceed to the next tee.
 - d. To help make the game enjoyable for all in your group, we recommend playing from either the white or red tee deck. This will increase the fun factor for those who have never seen the golf course, those who are novice golfers, and for those looking to shoot low team scores.
 - e. Play faster groups at the start to set the required speed of play
 - f. Gaps between groups must be kept to a minimum. Keep up to the group ahead.
3. At all times heed the instructions of the course Players Assistants who are there to help make your round more enjoyable.
